THE INNOVAPOST EXPERIENCE

PASSION

At Innovapost, we love what we do – and it shows. Our energy, commitment, and innovative thinking are the core elements that guide us and fuel our success.

EXPERTISE

Home to 800 business and technical professionals with a broad set of technical and functional skills, we leverage our knowledge of the Canada Post Group of Companies to drive synergies, scale, and efficiencies.

AGILITY

We approach every task with a flexible stance. We tailor solutions that don't merely address current business challenges, they grow and adapt to meet the challenges of tomorrow.

WE UNDERSTAND THE CANADA POST GROUP OF COMPANIES FROM THE **INSIDE OUT**, AND WE USE THAT UNDERSTANDING TO **DESIGN SOLUTIONS THAT DRIVE BUSINESS SYNERGIES AND REALIZE NEW REVENUE STREAMS IN A DIGITAL AGE.**

We believe in striving for a smarter, more connected tomorrow.

A TRUSTED PARTNERSHIP

We are the exclusive provider of world-class, client-specific Information Technology, Information System, and business solution services to all groups and functions within the Canada Post Group of Companies.

trusted to deliver cutting-edge IT development and IT management services. Together with our partners, we support some of the country's most complex systems and online properties including one of the most extensive SAP footprints in North America and one of Canada's busiest e-commerce websites.

SOLVING FOR THE FUTURE

Our end-to-end services are calibrated to deliver more than a solution for "right now." We give our clients solutions that anticipate a productive future, and we deliver the roadmap to get them there.

We use our knowledge of application development and maintenance, IT infrastructure and network management, enterprise architecture and technology development, and more to design innovative solutions built for tomorrow.

CORE SERVICE OFFERINGS

IT Strategy and Governance
Through our support as a Shared Services Organization, we strengthen synergies between members of the Canada Post Group of Companies, which include Canada Post, Purolator, and SCI Logistics. We help the Group extract greater business value from IT investments, reduce IT costs, and enhance service delivery. We work each day to improve the Group's competitive advantage and profitability.

CREATING VALUE

As an end-to-end IT organization, we value end-to-end skills. We transform operations and modernize business to meet the demands of the evolving mail, courier, and logistics industries. Our rare ability to blend broad expertise in business strategy, change management, and information technology allows us to bring unparalleled value to every project.

Development and Support
Our skilled technology and business professionals are
